2018-19 FEEDBACK ANALYSIS REPORTS

DEPARTMENT OF BOTANY

S.R.R & C.V.R Government Degree College (Autonomous), Vijayawada-520 004

Feedback Analysis Report on B.Sc BZC Botany Curriculum for the academic year 2018-19 (Title : Microbial Diversity , Algae and Fungi)

S.R.R and C.V.R Government Degree College (A), Vijayawada conferred with Autonomous status

This is the second academic year the Department of Botany conducted BOS and framed the syllabus for Botany I to IV Semesters by taking all the suggestions from Board of studies members.

Feedback on curriculum is an essential element of the Teaching Learning process. During 2018-2019 Department collected the feedback on curriculum of I Semester Botany Syllabus from various stakeholders like students, alumni, teachers, parents and employers in offline mode through specific format . This feedback is collected, analyzed and taken into consideration for further enrichment of the curriculum in terms of course quality and design.

Students' Feedback:

An effort was made to obtain the feedback from all the students of the college. As many as 26 students including parents and Teachers gave responses on the Botany Curriculum.

Majority students stated that overall the syllabus framing was good, application oriented. They suggested few modifications and preferred more Extra curricular and Field activities and Hands on in curriculum.

Students opinionated that they need more field trips, field works And expecting more practical oriented hands on experience on a few concepts in the I Semester Syllabus . Some students opinionated that Lab equipment (Microscopes Quality) is not sufficient . II BSC Students given feedback on the I Semester Botany Syllabus .

Teachers' Feedback:

Teachers opinionated that overall the syllabus framing was good application oriented and suggested some modifications

Parents ' Feedback:

Parents stated that overall the syllabus is satisfactory and given suggestions for more hands on and field practices

Feedback Analysis report for II Semester :

- The analysis of the students' feedback clearly depicts that they are satisfied with the curriculum development.
- It is observed that some of the students expressed that they need more field trips, field works and skill development Entrepreneurship and Employability programs.

Feedback at a glance on Whether Syllabus is challenging :

Challenging : 38.09 % - 8/21

Adequate : 42.85% - 9/21

inadequate : 19.04 %- 4/21

Points scored

Feedback at a glance on whether their previous knowledge for understanding the course is very much sufficient.

More than adequate : 42.85 % - 9/21

Just adequate : 47.61 % - 10/21

Inadequate : 9.52%- 2/21

Points scored
