## **Feedback Analysis Report on B.Sc BZC Botany Curriculum for the academic year 2021-2022 (Title :Fundamentals of Microbes and Non vascular plants)**

\*\*\*\*\*

S.R.R and C.V.R Government Degree College (A), Vijayawada conferred with Autonomous status

Department of Botany has conducted BOS and framed the syllabus for Botany from I Semesters based on all of the Board of Studies members' suggestions.

Curriculum feedback is an essential component of the Teaching Learning process. During 2021-2022, the Department collected feedback on the I Semester Botany Syllabus curriculum from various stakeholders such as students, alumni, teachers, parents, and employers in an format using a specific format. This feedback is collected, analysed, and considered for further curriculum enrichment in terms of course quality and design.

### **Students' Feedback:**

An effort was made to obtain the feedback from all the students of the college. As many as **30** students including parents and Teachers gave responses on the Botany Curriculum.

Majority students stated that overall the syllabus framing was good, application oriented. They suggested few modifications and preferred Extra curricular and Field activities in curriculum. Students opinionated that they need more hands on trainings, more lab experiments field trips, and expecting more practical oriented hands on experience on a few concepts in II Semester Syllabus. Nearly 70 percent of students given feedback on the I Semester Botany Syllabus .

### **Teachers' Feedback:**

Majority Teachers stated that overall the syllabus framing was good application oriented and suggested few modifications

### **Parents ' Feedback:**

Majority Parents stated that overall the syllabus is satisfactory

### **Feedback Analysis report for II Semester :**

- The analysis of the students' feedback clearly depicts that they are satisfied with the curriculum development.
- It is observed that some of the students expressed that they need more

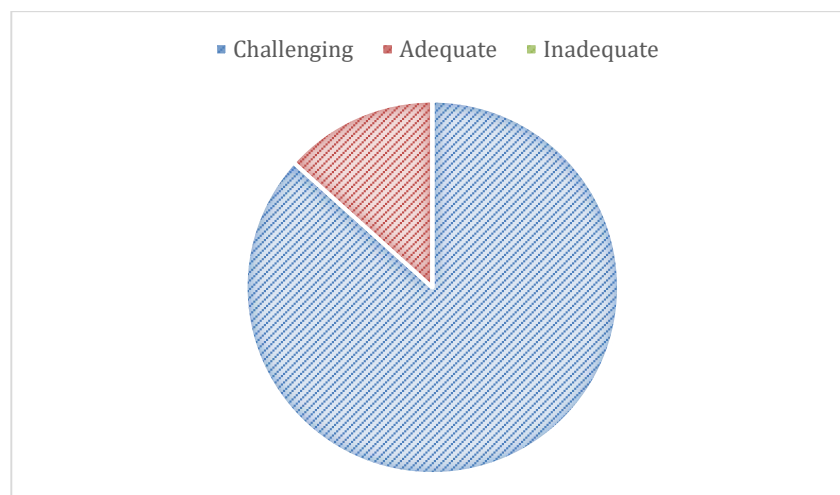

hands-on training , Project works field trips , field works and more  
Botany skill development training.
