Structured Feedback by Student /Alumni, Parent, Industrialist & Teacher for Design and Review of the Syllabus

Feedback and Action Taken Report

Academic Year: 2021-22, FOR ALL SEMESTERS

- The report of analysis of feedback received from different stakeholders is given below.
- The college has a formal mechanism to obtain feedback from students on design and review of the syllabus. Feedback is obtained from students at the end of every semester in all courses. Considering the inputs, the feedback is used partially to make modifications in the syllabus.
