## **DEPARTMENT OF HISTORY**

### **NUMISMATICS EXHIBITION**

**DATE: 25-09-2021**  
**PARTICIPATED CLASSES: BA I,II,III**

**Objective of the Event:** Introduce old coins to the students and make them understand the significance of studying History through numismatics.

**Event:** For anyone interested in history, the natural starting point of the learning curve would be books. But for some people, that process alone doesn't do it. Meet the numismatics experts, people who believe in the evidence of objects and in particular currency as a way of tracing history. Coin collectors, as they are known in layman's terms, are usually seen as hobbyists, even fanatics. They collect all sorts of objects from stamps to coins, jewellery, diaries, even tokens sold in canteens. But there is an entire world operating on history, heritage and intrigue.

**Event initiator:** Mr.Md.Rehman, department of Tourism, Nagarjuna University.
