- Plagiarism check through software

**Plagiarism Checker-X** software is now available in our College Library, which helps you check plagiarism in your research papers, blogs, assignments, and websites. With higher speed and accuracy, you can now easily check your text similarity in this software.

Plagiarism Checker X also helps students by checking duplication issues in their assignments and papers. They can easily check for content similarity and find the original sources, correct citations, and, as a result, obtain better grades.

Hence, Library requests all the Staff members and students to utilize this great opportunity to check similarity of text in your research papers, project reports etc., through our in-house software.

Whoever wish to check in the Software, please send your papers and projects or even URL links to your papers to library mail: [librarian.gdcvijayawada@gmail.com](mailto:librarian.gdcvijayawada@gmail.com)
