Name of the Activity	Awareness Program on World Diabetes Day to Students by Zoology Faculty
Place	Department of Zoology lab SRR & CVR GDC (A)
Date	14/11/2017

14 November, is World Diabetes Day. The theme for this year's campaign is "Women and diabetes – our right to a healthy future". It is marked every year on 14 November, the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best in 1922. WDD is the world's largest diabetes awareness campaign reaching a global audience of over 1 billion people in more than 160 countries.

Students were created awareness about Diabetes and its ill effects on health. With this type of Awareness students will in turn create awareness in the families and they will know how to control and avoid diabetes.
