## **CLEANLINESS DRIVE - April 2022**

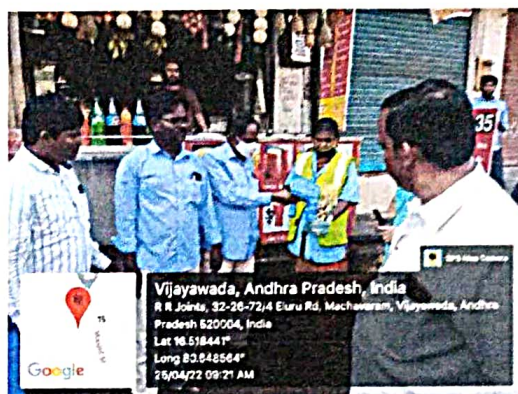

## **DEPARTMENT OF BOTANY**

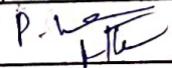

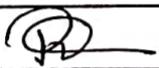

Department of Botany observed cleanliness Drive week from 21-26<sup>th</sup> April, 2022. In this programme, a rally was conducted to aware the local people at Gunadala area about the importance of cleanliness in surroundings and how the communicable diseases will spread in unhygienic Environment. Keeping the environment clean is important to being healthy. Many disease causing germs exist in dirty environments, such as the ones that cause diarrhoea and worm infections. This means that many diseases can be prevented through good personal hygiene, and by keeping the environment clean. A plantation program me was carried out by students with the help of local carporator. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife. Plastic awareness programme was conducted to raise awareness about the issues of plastic pollution and its harmful impact on the natural environment.
