CONSTITUTIONAL DAY

26-11-2019

Number of Students: 105

Constitution Day Significance, also celebrated as National Law Day or Samvidhan Diwas in India is observed on November 26 every year to commemorate the adoption of the Constitution of India.

On this day in the year 1949, the Constituent Assembly formally adopted the Constitution of India which later came into force on 26th January, 1950. The day is observed as Republic Day.

The Constituent Assembly of India set up 13 committees including a Drafting Committee for framing of the Constitution of India. After studying constitutions of nearly 60 countries, the father of the Constitution of India, Dr. BR Ambedkar headed the drafting committee of the Constituent Assembly. Following India's independence from the British Government in 1947, its members served at the nation's first Parliament. It is the longest written constitution in the world comprising 395 Articles, 22 Parts, and 12 Schedules.
