

SRR&CVR GOVT DEGREE COLLEGE
Department of Biochemistry

Activity Guest Lecture on Heavy Metal Contamination of Global Environment

Date 15th Dec 2020

Students I, II, III BSc. Biochemistry

Resource Person Dr.Devala Rao Garikapati, principal, KVSR Siddhartha college of pharmaceutical sciences Vijayawada.

Description On 9 th December, an article was published in an Indian Express paper regarding the mysterious disease of Eluru, East Godavari Dt. Traces of lead and nickel were found in blood samples of 15 more people affected by a mystery illness in Andhra Pradesh's Eluru. A All India Institute of Medical Sciences (AIIMS) New Delhi had found traces of the heavy metals in 10 victims

As the MBC students were curious about the disease, we requested Prof. Devala Rao to enlighten students regarding heavy metal poisoning. Dr. Devala Rao has explained well on finding the Case studies on Heavy Metal Poisoning throughout the globe, and the dangerous effect of improperly disposed of, e-waste and excessive use of pesticides, etc..
