Department of Botany SRR & CVR Govt Degree College Organized Group Discussion for III BZC E.M Students on 17.6.2022

Ms G. Swapna , Lecturer in Botany Initiating the Group Discussion

Motive :

- Improving Communication and interpersonal and debating skills
- Increasing awareness and knowledge on various general issues in society
- Removing stage fear in students .

Context:

In many movies, the lead character hurts, harasses heroine , kills villains and does many more illegal activities and then the movie ends. They do not get punished by law nor do they get judged by society for their crimes. In general, people, especially youth and teenage children get connected with lead characters and tend to imitate them and commit crimes in real life . Does movies really breed crimes in society and how do movies personally affect them is the context of Group Discussion .

III BZC Student sharing a positive opinion on effects of Movies

III BZC Student sharing a Negative opinion on Movies effect on youth

Report :

Students of III BZC participated in Group discussion with much interest and enthusiasm . They expressed their opinions on the effects of movies . They discussed some movies released recently and expressed how their thoughts affected and the way the movies changed their opinions .

Students shared their thoughts on the increasing crime rates in society and the way teenagers and youth are affected by Movies . Some of them opinionated that crime rate increase rate especially in Andhra Pradesh increasing by movies .

Some students expressed that Movies also make them aware about several societal issues , Problema which they are not aware of . Some students think that Movies bring a lot of positivity also . Due to Movies only they are aware of several issues and make positive and healthy effects on their minds . Movies bring out the values and morals in them and make them understand about culture and traditions , respecting parents , Relationships , country spirit and so on .

This Group Discussion was a suitable platform for discussing various societal issues which students must be aware of . The Program was successful and achieved the desired Objectives and was very informative and beneficial to students .
