Remarks	Field Trip was successful

A field trip was conducted by the department of Botany on 22-08-2022 to Kondapalli reserve forest as part of curriculum. The students of I BZC & I BHC total 30 students were participated and accompanied by three staff members. Field study is an essential part of Botany as plants are best studied in their natural habitat. Kondapalli is located near to Ibrahim patnam. We got to see different types of life forms and collected plants for herbarium. Students also studied mosses, pteridophytes.
