MOLE DAY on 23.10.2021

Report on Mole Day celebrations

Department of Chemistry celebrated MOLE DAY on 23.10.2021. Principal Dr. K. Bhagya Lakshmi, all the faculty from chemistry department and B.Sc students have participated in celebrations. Honourable Principal madam has presided over the programme with inaugural speech. He has given her valuable speech to students and explained why we celebrate Mole Day on every year October 23rd.

In-charge of chemistry department Dr. V. Srinivasa Rao has given presentation about Mole concept and importance of mole concept in chemistry.

Dr. M. Malyaadri conducted Quiz competition based on mole concept for the B.Sc Students through Kahoot (Online evaluation tool). All the B.Sc students participated in quiz competition.

The following students got first and second prizes in competition.

Mr. Md. Yunus ----- 1st Prize

Mr. G. Joseph ----- 2nd Prize

This programme definitely help the students to know the importance of mole concept in chemistry. This program also helps the students to know about online evaluation tools such as Kahoot.

Acknowledgements:

We would like to thank our beloved principal Dr. K. Bhagyalakshmi for her presence and giving permission to us to celebrate Mole Day.
