STUDENT STUDY PROJECT 12.12.2017

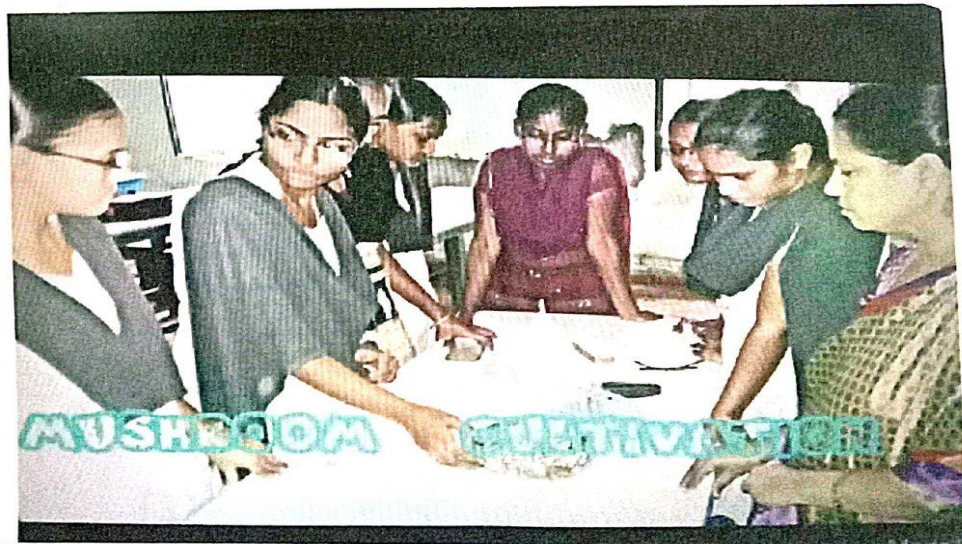

The cluster students of III B2C involved in the Mushroom Cultivation project work

12.12.2017

OYSTER MUSHROOM.

Motiv of this program:

For Organizing this program students took the initiative and identified the Best Project works that need to be displayed in the Department to motivate junior students in Dept of Botany and incorporate Research zeal in them .

Report:

Students of II BZC learnt the aspects of Mushroom cultivation stage by stage and demonstrated the steps to other students .

III BZC Students brought awareness to other students about the various types of Mushrooms, significance of grass usage , Watering, Spawning , Making Mushroom bags , Storing in Dark rooms , significance of moisture and temperature Grading, Packing along with nutritional values of mushrooms .

Through this Mushroom culture Projects display all students were able to learn the concept of Mushroom cultivation . Nearly 70 students and Faculty participated in this awareness .training activity on Mushroom cultivation
