Remarks	Students participated in the Seminar with much enthusiasm .

Department of Botany SRR & CVR Govt Degree College Organized Student Seminar on 24.6.2022
Students presented their topics on the concepts of Tissue culture and Biotechnology .

Motive :

- **Improving Communication and interpersonal and debating skills**
- **Improvement of Teaching , presentation and analyzing skills**
- **Removing stage fear and incorporating Confidence in students**

U. Anil Kumar III BZC Student presenting his seminar
Topic: Genetically Modified Crops

III BZC Student M. Preethi Presenting her Seminar

Topic : Sterilization methods

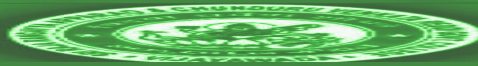

Report :

Students presented various topics of tissue culture as a part of the curriculum. Students who participated in Seminar delivered their topics with much ease and comfort. This Seminar was a suitable platform for boosting up their presentation skills, confidence skills, communication skills along with subject skills. Removes the budding stage fear in students at initial stages. The objective of this Program was successful and achieved the desired Objectives. Students participating in the seminar expressed their doubts and debated among them. The seminar was very interactive and beneficial to students.
