

DEPARTMENT OF CHEMISTRY

TWO DAY FACULTY DEVELOPMENT WORK SHOP ON CLUSTER ELECTIVES IN CHEMISTRY

on 28 th and 29 th November 2017

LECTURE DELIVERED BY Dr . TE DIVAKAR READER IN CHEMISTRY , NOBLE COLLEGE ,MACHILIPATNAM

ISSUING OF CERTIFICATES TO PARTICIPANTS BY Dr. V JOSHI PRINCIPAL

The Department of Chemistry, SRR & CVR Government Degree College(A), Vijayawada in association with Nodal District Resource Center, organised a Two Day Faculty Development Workshop on Cluster Electives in Chemistry (FDWCEC-2017) on 28th and 29th November 2017.

With the introduction of CBCS system in undergraduate courses as per the recommendations of APSCHE, Cluster Electives were introduced in VI Semester.

The workshop was designed to enrich the curricular perspective of the participants by including sub topics viz. Organic Spectroscopy, Photochemistry, Protecting Groups, Advanced Organic Reactions and New Synthetic Reactions.

27 participants from various undergraduate colleges under the purview of Krishna University attended the workshop and got a fresh jab of knowledge in the above topics.

Prof. MV Basaveswara Rao(KRU. Machilipatnam), Prof. Venkatanadh (Geetam, Bangalore), Dr. TE Divakar, Dr. M. Manoranjani , Dr. KTSS Raju acted as Resource Persons.

The workshop was coordinated by Sri. G. Vijay Swaroop Singh, Lecturer in Chemistry of the department under the aegis of Dr. V. Joshi, Principal & Patron and Sri. K. Srinivas, HOD & DRC Coordinator.
