DEPARTMENT OF BOTANY

World Environment Day is the biggest international day for the environment. Led by the United Nations Environment Programme (UNEP), and held annually since 1973, it has grown to be the largest global platform for environmental outreach. It is celebrated by millions of people across the world. World Environment Day 2022 is hosted by Sweden. “Only one Earth” is the campaign slogan, with the focus on “Living Sustainably in Harmony with Nature”. Department of Botany has initiated a plantation programme in vacant lands at student residence. Nearly 30 students participated in this plantation programme. Students of Botany planted native plant species in their localities.
