

SRR & CVR Govt. Degree College, Vijayawada

Department of Biochemistry

Extensive Activity Date: 20/9/2022

Planting trees is a must if we want to save our planet. Trees are providing us with two of life's essentials, food and oxygen. Our college is located in the center of Vijayawada. As this college was established in 1937, there are trees of very old age making the climate of our college cool. Students at the time of lunch ,leisure, sit under the trees shades. Our college greenery attracts walkers who used to take their morning and evening walks for their fitness.

The students of the department of Biochemistry planted saplings near the biochemistry department, after that, with the same spirit students planted saplings in the college premises .The program started at 3:00 p.m. and continued till 5;00 p.m. Dr. Syed Vaziha Tahaseen incharge department of Biochemistry, Dr. Anuradha,lecturer in Food technology, Mrs. E.Sarojini Devi lecturer in biochemistry actively participated in this program.
